

Specification

Photo		Data	Name	LED flood light
			Model No.	BTPAL0300L
			Power	LED 300W
			Installation mode	U bracket
			Work temperature	-40℃~50℃
			Work voltage	AC100-277V; 50/60Hz
			Rated life	50000 hrs
Dimension		Standards	IP	IP67
		Main parts	Housing	Aluminum extrusion profiles
			Radiating module	Aluminum radiator
			Optical part	Optical lens
			Color	Black
Photometrics		Optical Parameter	Beam angle	60°
			Luminous flux	43500Lm@5700K
			Color temperature	5700±300K
			CRI	RA≥70@5700K
		Light Source	LED Chip	Lumileds
			Name	Single LED
			Specification	28PCS×4
Accessories		Driver	Brand	Inventronics/MOSO
			Installation mode	Built-in
			Specification	Constant current driving
		Packing information	Carton size	515*450*205MM
			Net Weight(Kg)	9.9KG(With 12M cable and plug)
			Accessories	Installation instruction
			Packing	Carton
